

## Notice and Access Notification For the Annual Meeting of Shareholders

You are receiving this notification as MEG Energy Corp. (the "Corporation") is using notice and access for the delivery of materials to both our registered and beneficial shareholders ("Shareholders") related to our upcoming annual meeting to be held on May 1, 2023 (the "Meeting"). Under notice and access, Shareholders will receive a proxy ("Proxy") or voting instruction form ("VIF"), as applicable, enabling them to vote at the Meeting. However, instead of receiving a paper copy of the notice of meeting and management information circular (the "Circular"), Shareholders receive this notification explaining how to access the Circular electronically. Adopting notice and access to deliver materials is more environmentally friendly and reduces costs for printing, paper, and mailing. Shareholders who have previously provided standing instructions will receive a paper copy of the notice of meeting, the Circular and a Proxy or VIF (as applicable).
